

# Challenge

## Front End Developer Work Challenge

Apr 09th,2020 - Apr 12th,2020

General

Your task is to redesign a few key pages of the Prepr Network.  
Reimagine and create frontend webpages of the following pages (and possible sub-pages):

- Explore page (<https://preprlabs.org/>)
- Projects page (<https://preprlabs.org/myProjects>)
- Challenges page (<https://preprlabs.org/list/challenge>)
- Challenge details page (<https://preprlabs.org/challengeManager/front-end-developer-work-challenge>)
- Labs page (<https://preprlabs.org/joinedLab>)

## Host

Prepr

The Prepr Network connects students and start-ups to employees and employers in order to build skills, create verifiable portfolios and tackle challenges. We do this by creating dedicated labs for individuals and teams to co-learn and co-lab together in order to co-solve organizational challenges.
